FEEBLE OLD LADY Has Strength Restored By Vinol

Mrs. Michael Bloom of Lewistown, Pa., who is 80 years of age, says: "For a long time I have been so feeble that I have had to be wheeled around in an invalid's chair. I had no strength and took cold at the slightest provocation, which invariably settled on my lungs, and a cough would result. My son learned of the cod liver preparation called Vinol, and procured a bottle for me. It built up my strength rapidly, and after taking three bottles I am able to do most of my work, and I can walk a quarter of a mile easily. Every aged or weak person who requires strength should try Vinol. I am delighted with what it has done for me."

As a body builder and strength creator for old people, delicate children, weak, run-down persons, and after sickness, Vinol is unexcelled. If it fails to give satisfaction we will return your money.

FIELD AGENT

Goes to Capital City of State to Procure New Members.

WHEELING, Jan. 11.—Graham Young, field agent for the West Virginia Board of Trade, left this morning for Charleston to carry on the campaign for an increased membership for the organization which he has been conducting for some time past. Mr. Young will remain in Charleston throughout the legislative session and as many of the leading business men of the state will visit the capital city during the coming two months, Charleston will no doubt be a productive field for him.

Last week Mr. Young visited a number of cities down in the state and his work on behalf of the state board resulted in quite an increase in the membership he securing several new members at every city he visited and the total membership is now nearing the 300 mark. Mr. Young is a hard worker for the organization and it is expected that his efforts in Charleston will result in the membership being very much larger than it is at present. It is the aim of the officials to bring the membership of the organization up to 500 and the active young field agent is striving hard to reach that goal and at the rate he has been going the last couple of months his prospects of doing so seem bright.

UNFAIRLY TREATED

By the Manufacturers at Grafton Say Glass Workers.

GRAFTON, Jan. 13.—The Flint glass workers now claim that they did not violate their agreement with the Tygart Valley Glass Company in any manner and they state that the closedown was simply a ruse on the part of the owners of the plant in Beaumont addition to disperse with union labor and run the plant "open."

Edward S. Zimmer, the national organizer of the American Flint Glass Workers' Union of North America, was in the city today looking after the interests of the glass workers and made a signed statement which gave the views of the union workmen in regard to the present trouble existing between the men and the manufacturers.

MINSTREL SHOW

Will Be Given by Local Elks, Special Committee Decides.

A meeting was held this afternoon of a minstrel show committee appointed by the local lodge of Elks at the regular weekly meeting last night, at which it was decided to proceed at once with the enterprise and hold the first rehearsal next Monday evening in the hall. The committee consists of Thomas Ramage, chairman, A. J. Smith, Jay Reefer, Reuben Robinson and S. R. Bentley.

It is stated that the recent municipal elections at Adamston, Bridgeport, Shinnston, Lumberport and West Milford may be illegal on the ground that the law requires a registration of voters, which was not in fact taken.

CATARH MUST GO

It is such a remarkable cure, and so positive in its action, that Sturm & Wilson go so far as to guarantee it to cure catarrh or money back.

A complete outfit, which consists of a hard rubber pocket inhaler, a bottle of Hyomei and a unique dropper for filling the inhaler, only costs one dollar, and if an extra bottle is afterwards needed the price is only 50 cents.

Hyomei is a healing, antiseptic balsam, taken from the mighty eucalyptus trees in the health-giving forests of Australia, where diseases of the respiratory tract are unknown.

All the sufferer has to do is to inhale the antiseptic air of Hyomei over the inflamed parts where the germs are entrenched, three or four times a day.

It cures coughs, colds, asthma, hay fever and croup without stomach dosing.

Follow the Crowd

If you have not already begun, you cannot begin sooner to cultivate the habit of buying for cash. It is very reasonable that cash buying is better for you, because a store run on a cash basis surely gives closer prices and will otherwise look after your trade. You will not only keep on coming but will lead others to come. To say the least, you will not be troubled about that little bill you owe. There are no little bills when you pay cash. No cash customer would have some goods that are sent out on credit. It will not happen here. Try us for quality, prices, and general good treatment. I see you all like Carolina Belle Coffee. Thanks, I thought you would. It is still 20c per lb, and the best value I can get for you. From now on put yourself on the cash basis, you can quit it if you don't like it, but you won't. If you believe in the cash plan, show it by your actions. Store closes at 7:30 p. m., except Saturday.
